

IBS ELECTRONICS

Authorized Global Distributor

IBS Electronics was established in 1980 in Southern California. IBS Electronics is an ISO 9001: 2008 certified authorized franchise distributor and a global leader in the delivery of innovative electronic components and logistic solutions. IBS Electronics operates a global Procurement Network that enables us to provide our services and products seamlessly worldwide. This network consists of a robust set of systems, skills, and tools that we use to efficiently manage production and services, regardless of geography, cost point, technology or end-market demand.

Low-Cost Source

IBS Electronics is recognized as a low-cost source of electronic procurement services (EPS) and products, without sacrificing quality, technology or on-time delivery.
